Description:

Pearson's Comprehensive Dental Assisting is all about ensuring that you will be a successful student and dental assistant. To help ensure this success, a focus is placed on learning both technical and people skills. This comprehensive textbook presents a step-by-step, competency based approach that covers all the facets of the dental assisting profession. People skills are covered throughout the text as various areas related to cultural and lifespan considerations are discussed. This text was developed and organized with both the needs of the instructor and student in mind. Attention was paid to ensure that the information flowed smoothly and that the topics were presented simply for students to be able to grasp the concepts.

I love this book and it goes well with my Pearsons Textbook. Its an asset to have and also allows you to think critically
